

Record Series #: 5100-009
Name: Savannah Fire and Emergency Services Bureau Records,
Registers and Journals
Dates: 1911-1913
Extent/Size: 1 oversize box (0.62 cubic feet)

Scope and Content:

Records Series 5100-009, Savannah Fire and Emergency Services Bureau Records, Registers and Journals (1911-1913), includes one account ledger tracking departmental expenses. The pages of the ledger are pre-printed with the following categories: Stations No. 1-7; Chemical No. 1; Truck No. 1; Fire Alarm; Electric Fee; General; Supply; and New Apparatus. Recorded information includes money disbursed for: salaries; printing; upkeep of stock (feeding, horse shoeing, medicine, harnesses); coal, wood and gas; soda and acid; uniforms and bedding for men; hoses and poles; telephones; and surgeon's fees.

Only one-third of the book is filled out. The book's spine is broken and the leather covering is missing from the book board. There is evidence of water and mold damage. The pages are fragile and crumbling around the corners. This item must be handled with care.
